

Redistricting Stanton

Get involved and be a part of the redistricting process.

Get involved and be a part of the redistricting process, help Stanton Redraw District Lines.

The City of Stanton is asking for your help to plan and redraw new City district lines. In 2017, the City of Stanton created City Council Districts. Every 10 years, local governments use new data from the Census to redraw their district lines to reflect how local populations have changed. The City must redraw the district lines based on the new 2020 Census data, and the City of Stanton invites and encourages residents participation.

The Public Hearing will cover:

- General Overview of the Redistricting Process
- Communities of Interest
- Public Mapping Tools
- Presentation of Preliminary Census Data.

The City of Stanton will hold its first public hearing on **Tuesday, November 23, 2021, at 6:45 p.m.** at Stanton City Hall, 7800 Katella Avenue, Stanton 90680.

Join us to collaborate on how district lines should be drawn!
